“The ATA Carnet is a passport for international opportunity. By simplifying customs procedures and saving valuable time and resources, it allows businesses of all sizes to compete globally. Our role at Dubai Chambers is to champion these tools that remove trade barriers and directly support our members’ growth and international expansion.”

Khalid Al Jarwan

Executive Vice President of
Commercial & Corporate Services
Dubai Chambers

New Horizons :

Poland & Hungary

 23rd - 27th November 2026

Explore New Horizons: Your Gateway to Poland & Hungary Ready to take your business global?

As part of our commitment to your international growth, Dubai Chamber of Commerce is proud to announce our upcoming New Horizons trade mission to Poland and Hungary in the fourth quarter of 2026.

This is your exclusive opportunity to explore two of Central Europe's most dynamic and high-potential economies. We will connect you directly with the opportunities and partners to expand your international footprint.

This mission is designed to help you:

Discover Untapped Opportunities: Gain firsthand intelligence on the most promising sectors for your products and services.

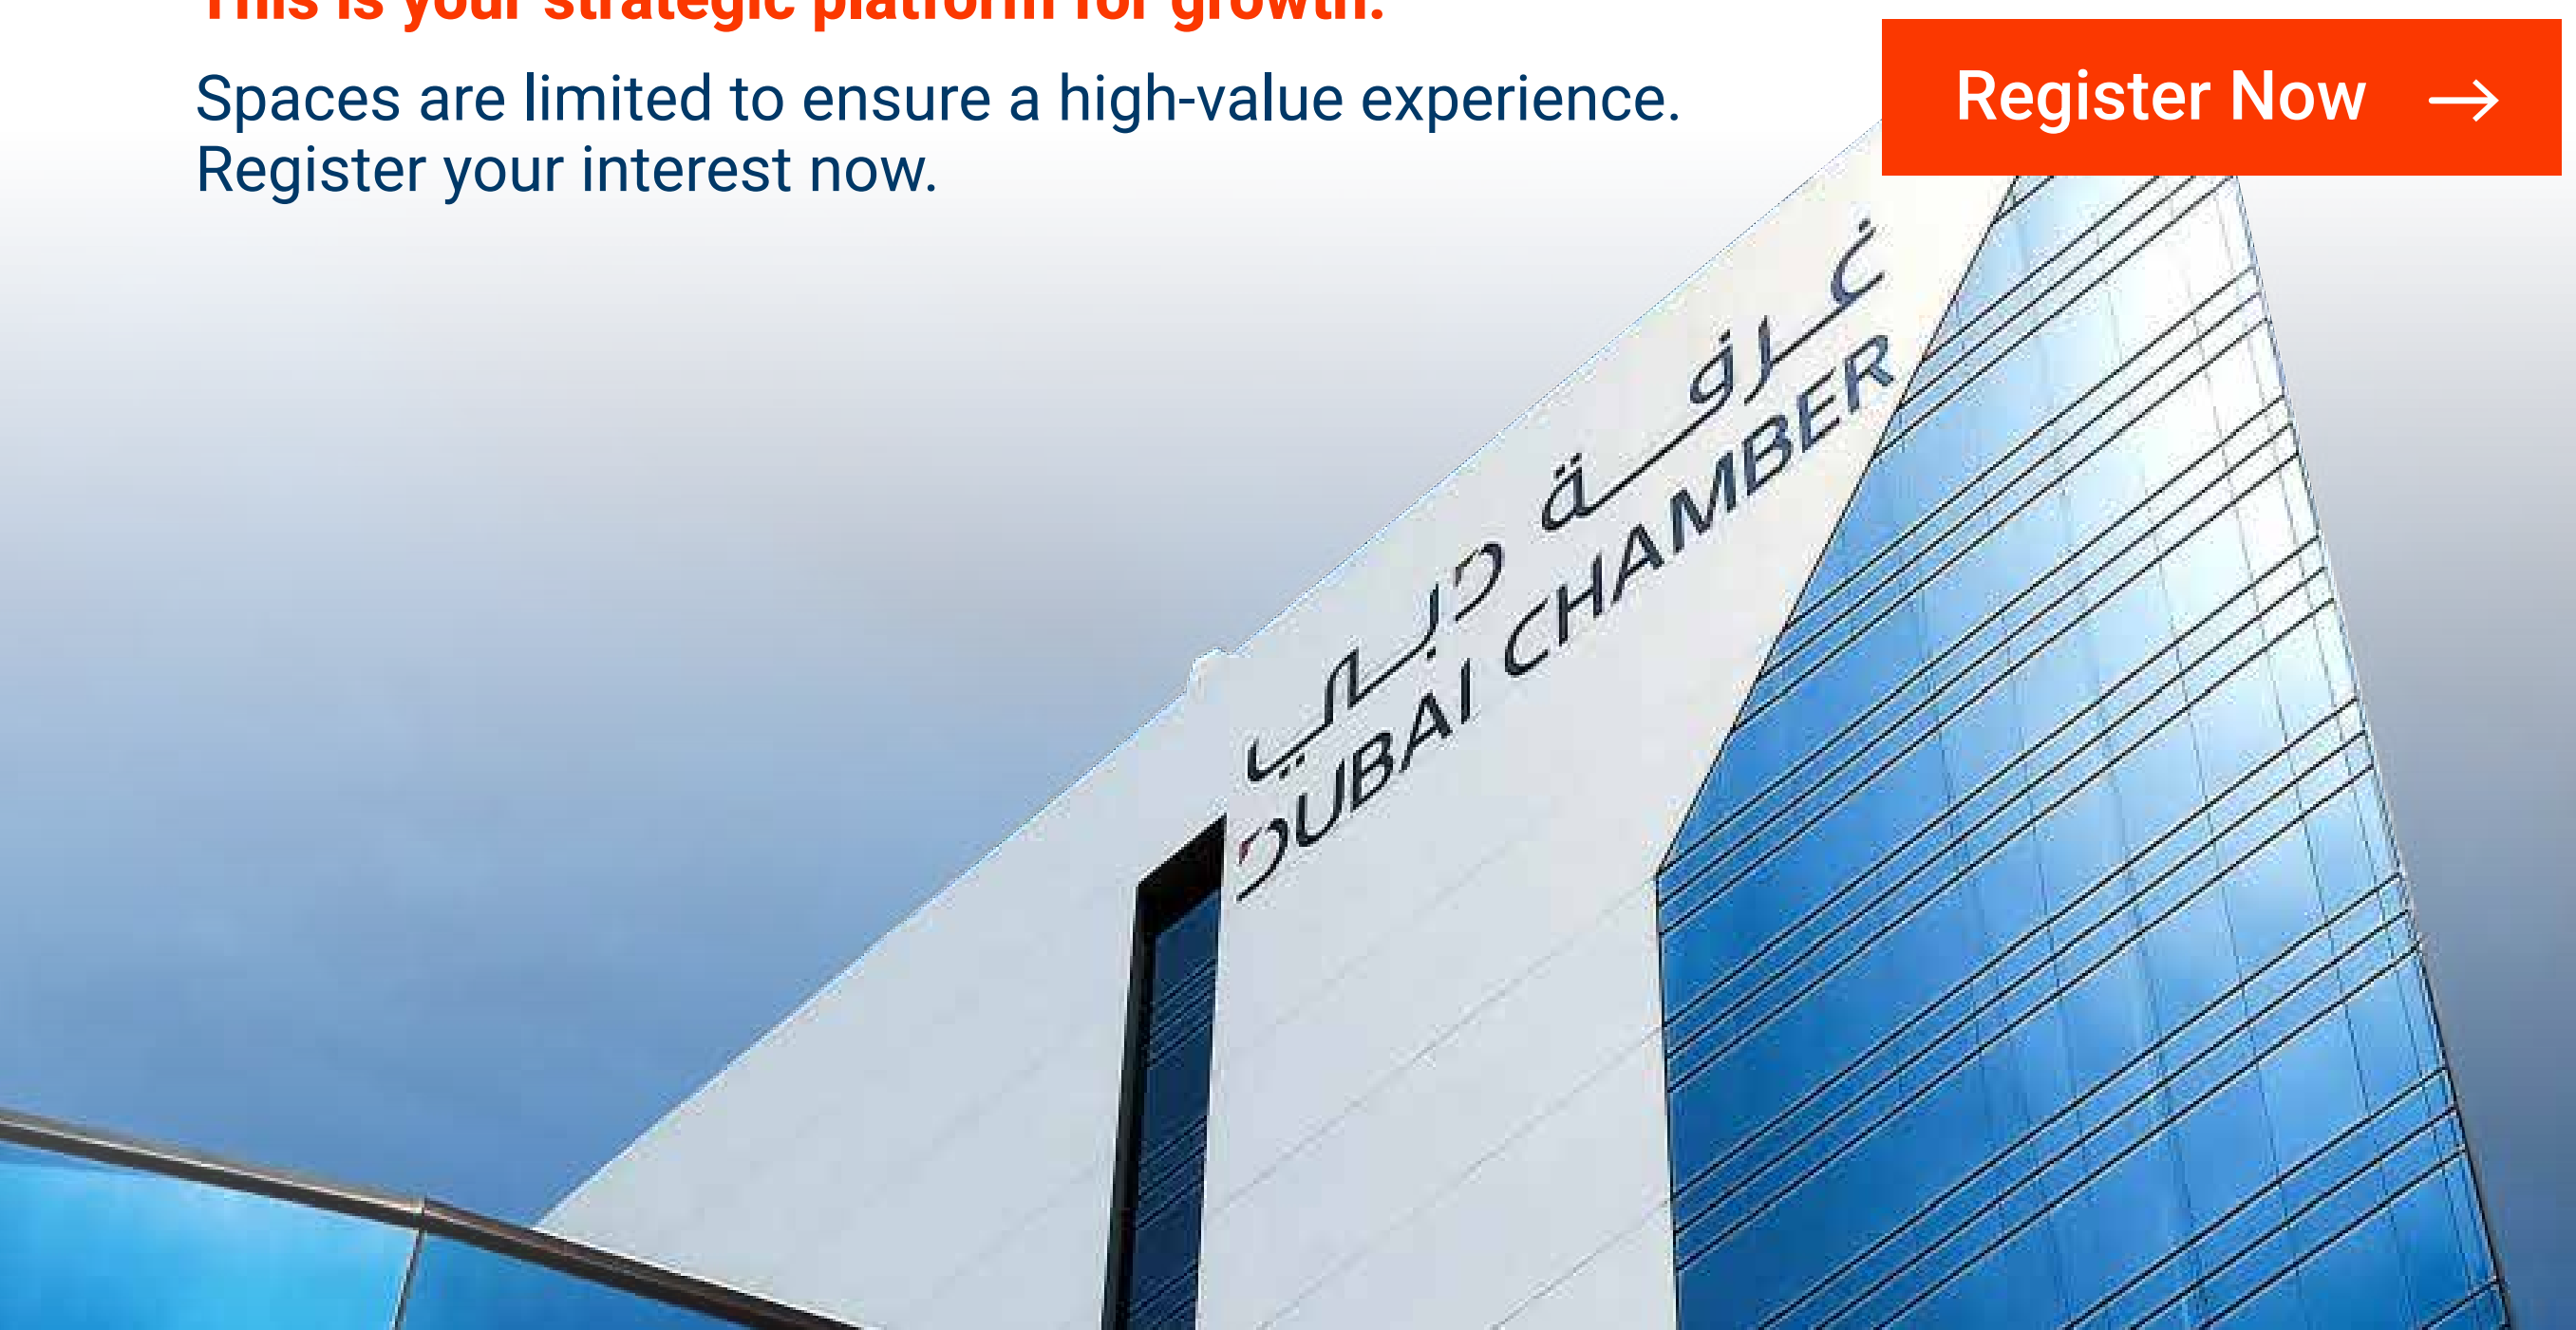

Build High-Level Connections: Meet with potential partners, distributors, and key business leaders in both markets.

Gain Actionable Market Insights: Learn the practical steps and effective strategies for successful market entry and sustainable growth.

This is your strategic platform for growth.

Spaces are limited to ensure a high-value experience.
